Re: KHHT (FM), Los Angeles, California
Facility Identification Number: 35022
AMFM Broadcast Licenses, LLC
Special Temporary Authority
Hybrid IBOC Digital Operation

Dear Counsel:

This is in reference to the request filed March 28, 2007, on behalf of AMFM Broadcast Licenses, LLC ("AMFM"). AMFM seeks extension of special temporary authority ("STA") to operate Station KHHT with a hybrid digital signal,¹ pursuant to the *First Report and Order* in MM Docket No. 99-325 ("*Report and Order*");² however, employing separate analog and digital antennas, pursuant to the Public Notice issued March 17, 2004 ("Public Notice").³

Our review indicates that the Public Interest would be served by grant of the requested extension.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KHHT may operate with a hybrid digital signal as defined in the *Report and Order*.⁴ The digital signal will be transmitted via licensed auxiliary antenna BLH-19900717KD. The digital transmitter power output will be 0.198 kilowatt. The analog transmitter power output will be 24.3 kilowatts. AMFM must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines; *See* 47 CFR §

¹ KHHT is licensed for analog operation on Channel 222B (92.3 MHz) with effective radiated power of 42 kilowatts (H&V) and antenna height above average terrain of 887 meters.

² *Digital Audio Broadcasting Systems and Their Impact on the Terrestrial Radio Broadcast Service*, MM Docket No. 99-325, *First Report and Order*, (October 11, 2002).

³ *Public Notice*, "Use of Separate Antennas to Initiate Digital FM Transmissions Approved", MM Docket No. 99-325, DA 04-712 (October 17, 2004).

⁴ *See Report and Order*, Appendix B.

1.1310. Pursuant to 47 CFR Section 73.1635(b), this authority may be modified or cancelled by the Commission without notice or right to hearing. AMFM must post a copy of this authority with the station license. Any subsequent modification of the licensed analog facilities will require a modification of this authority.

This authority expires on **September 29, 2007**.

Sincerely,

A handwritten signature in dark ink, appearing to read "Charles N. Miller", with a long horizontal flourish extending to the right.
